Product Description

Product Description:

One of the most important things to consider when consuming any food or drink is the nutritional value it provides. This is where the Tomato Fruit Juice truly shines. It contains only the highest quality ingredients - tomatoes that are carefully selected and harvested at the peak of their ripeness. Each 100ml serving of this juice contains 6mg of sodium, 12.4g of carbohydrates, and 0g of fat, making it a low-sodium and low-fat drink that is perfect for anyone who wants to maintain a healthy diet.

In addition to being low in sodium and fat, the Tomato Fruit Juice is also rich in energy, providing 220KJ of energy per 100ml serving.

This makes it an excellent choice for anyone who wants to stay energized throughout the day. Moreover, this juice has a nutrient reference value of 3% for energy, which means that it can help you meet your daily energy requirements.

The Tomato Fruit Juice is also a great source of antioxidants, such as lycopene, which can help protect your body against harmful free radicals that can cause cell damage. It also contains other essential nutrients such as Vitamin C, Vitamin A, and potassium, which are vital for maintaining a healthy immune system, healthy skin, and good vision.

One of the best things about the Tomato Fruit Juice is its delicious taste. It has a unique sweet and tangy flavor that is sure to satisfy your taste buds. The juice is made with tomato honey, which is a natural sweetener that is derived from fresh tomatoes. This gives the juice a natural sweetness that is not too overpowering, making it a perfect drink for any time of the day.

In conclusion, the Tomato Fruit Juice is a delicious and nutritious drink that is perfect for anyone who wants to maintain a healthy diet and lifestyle. It is low in sodium and fat, rich in energy and essential nutrients, and has a unique sweet and tangy flavor that is sure to please.

So, why not try the Tomato Fruit Juice today and experience the goodness of tomato honey in every sip!

Drinks with different contents can be customized according to customer needs.

330ml-500L packaging available.

Applications:

One of the most popular ways to enjoy ARKHUM Tomato Fruit Juice is by using it as a base for Tomato Stir Juice. This refreshing and flavorful drink can be easily prepared by adding chopped vegetables, herbs, and a dash of salt to the juice. It is perfect for those who want to enjoy the goodness of fresh tomatoes in a convenient and easy-to-make drink.

ARKHUM Tomato Fruit Juice can also be used as a substitute for tomato sauce in a variety of recipes. It adds a tangy and sweet flavor to dishes like pasta, pizza, and lasagna. The juice can be used to make a quick and easy marinade for meats and vegetables, giving them a delicious and unique flavor.

This juice is an excellent choice for people who are health conscious and want to maintain a balanced diet. With 0g of fat and protein per 100ml, it is a low-calorie beverage that can be enjoyed guilt-free. It is also a great source of energy, with 220 KJ per 100ml, and contains 12.4g of carbohydrates and only 6mg of sodium per 100ml.

ARKHUM Tomato Fruit Juice is perfect for a wide range of occasions and scenarios. Whether you are looking for a refreshing drink to quench your thirst, a healthy beverage to support your active lifestyle, or a versatile ingredient to add flavor to your cooking, this juice is the perfect choice.
