### Applications:

ARKHUM Tomato Ketchup Sauce is a versatile condiment that can be used in a variety of occasions and scenarios. Whether you are cooking at home, dining out, or preparing food in a commercial kitchen, this product is a must-have for adding flavor and richness to your dishes.

At home, ARKHUM Tomato Ketchup Sauce is perfect for everyday use. You can use it as a dipping sauce for fries, chicken nuggets, or onion rings. It can also be used as a spread on sandwiches, burgers, or hot dogs to add a tangy and savory flavor. Additionally, you can mix it with other ingredients to create marinades for meats, glazes for vegetables, or dressings for salads.

For dining out, ARKHUM Tomato Ketchup Sauce is a popular choice at fast food restaurants, diners, and cafes. Customers often enjoy it with classic dishes like burgers, fries, and chicken tenders. The convenient PP bottle packaging makes it easy to dispense and use, ensuring a hassle-free dining experience.

In commercial kitchens, ARKHUM Tomato Ketchup Sauce is a staple ingredient for chefs and cooks. Its rich tomato flavor and vibrant red color make it ideal for enhancing the taste and appearance of various dishes. Chefs can use it in sauces, stews, soups, and gravies to add depth and complexity to their creations.

With a supply ability of 20\*20' Fcl per day, ARKHUM Tomato Ketchup Sauce is readily available for both small-scale and large-scale food operations. Its nutritional attributes, such as 3.3g of fat, 564 KJ of energy, 5.3g of protein, and 20.7g of carbohydrates per 100g, make it a versatile ingredient that can be incorporated into a wide range of recipes. The nutrient reference value of 7% for energy also highlights its role in providing essential nutrients.

In summary, whether you are a home cook, a restaurant patron, or a professional chef, ARKHUM Tomato Ketchup Sauce is a reliable and flavorful product that can elevate your culinary creations. Its use as a tomato paste, tomato red sauce, or ketchup makes it a versatile and essential condiment for various cooking applications.
